ALUMINIUM WALK BOARDS

SureWeld
Specialised Aluminium Products

Price List. Effective July 2013

POSITIVE CONNECTION

Sureweld Walk Boards are built for safety.

A firm positive fit to your vehicle ensures safe operation as you handle goods. Steel connecting pins supplied, hold the Walk Board in place even during the most rigorous operation!

SURE FOOTING

With tapered soles placed on a firm surface, a Sureweld Walk Board inspires confidence in your busy schedule.

A smooth, yet slip resistant surface lets you get your job done without a second thought!

No moving parts, and light enough to handle on your own!

PRODUCT CODE	RATED CAPACITY	Walk Board WEIGHT	Walk Board LENGTH	Walk Board WIDTH	Walk Board DEPTH	WALKBOARD DEPTH
WB2772	300kg	33kg	2,700mm	720mm	75mm	75mm
